Re: Cedric Marshall v. The Port Authority of New York and New Jersey, *et al.*
Docket No. 19-cv-02168 (WHP)

Dear Judge Pauley:

This office represents the remaining defendants, Port Authority Police Officers Bryan Mathews and Sean Gallagher ("Defendants") in the above-referenced action. Pursuant to Your Honor's Order, dated March 25, 2021 (D.E. 83), the parties were directed to submit a joint request to charge and separately submit any proposed voir dire by April 9, 2021. The teleconference was also adjourned to April 21, 2021. As discussed in my colleague's letter to the Court, dated March 24, 2021, I was hospitalized due to an emergency surgery last month. I was just recently discharged and have not yet returned to work fully.

Due to the above, Defendants respectfully request a second extension of time for submission of a joint request to charge and proposed voir dire, as well as the scheduled teleconference for an additional two weeks to April 23, 2021 and May 5, 2021, respectively. Plaintiff's counsel has consented to this request.

Respectfully submitted,

The Port Authority Law Department
